BATMAN: DAMNED HC

written by **BRIAN AZZARELLO**

art and cover by **LEE BERMEJO**

The first new series from DC Black Label is collected in a spectacular new hardcover!

The Joker is dead.

There is no doubt about that. But whether Batman finally snapped his scrawny neck or some other sinister force in Gotham City did the deed is still a mystery.

Problem is, Batman can't remember...and the more he digs into this labyrinthian case, the more his mind starts to doubt everything he's uncovering.

So who better to set him straight than...John Constantine? Problem with that is as much as John loves a good mystery, he loves messing with people's heads even more. So with John's "help," the pair will delve into the sordid underbelly of Gotham as they race toward the mind-blowing truth of who murdered The Joker.

BATMAN: DAMNED is a supernatural horror story told by two of comics' greatest modern creators–a visceral thrill-ride that proudly puts the "black" in BLACK LABEL.

This new collection includes a sketch gallery and other bonus features.

"Polly Peachpit." Those were the words 10-year-old Brinke Calle said when she was found covered in her own blood by the woods in rural Cannon Falls. Her best friend, Melba, had just attempted to murder her because a spider girl named Polly Peachpit told her to. Since that day, Melba has spent seven years in a mental health facility. Tomorrow is her 18th birthday. Tomorrow she'll be transferred to a federal prison. Tomorrow her real sentence will begin.

That is, until she receives a visit from FBI Agent Virgil Crockett. Crockett explains that there is another world beyond ours, where hungry, spectral aliens stalk the minds of the impressionable and weak. These things, called IMPs (Interdimensional Mental Parasites) feed on compliance. They convince hosts to do things for them, and the more they feed, the stronger they become. More IMPs stream into the world each day, invisible to everyone but his or her hosts.

DC ARTISTS ALLEY: BATMAN, TWO-FACE, THE JOKER AND KILLER CROC BY JAMES GROMAN VINYL FIGURES

designed by
JAMES GROMAN

sculpted by
JAMES GROMAN

DC Artists Alley is a stylized collection based on designs from some of today's cutting-edge artists. Channeling the comics convention experience, DC Artists Alley brings unique, artistic viewpoints to the DC Universe through highly detailed, limited-edition designer vinyl figures. To fully match the Artist Alley origins of the figures, each box includes a print featuring the original artwork the figure is based on

The latest artist to join the collection is the monster-obsessed, multi-medium former Madballs creator James Groman. His style is highlighted by delightfully exaggerated and gory details–exposed muscle fibers, superfluous layers of teeth and rippling and calloused skin.
